Strict Tester Policy Guidelines

Given the current COVID-19 landscape, we will not be offering makeup application services. Our key priority is to minimise any risk of infection.

We are here to support all your makeup needs however this comes with some limitations and strict health & safety handling guidelines of our tester display destination. We welcome all customers to access our testers on display however please use the paper sheets provided to apply all colour swatches, avoiding any direct skin contact.

- Use hand sanitiser (min. 60% alcohol) before touching any product
- Single use disposable applicators are provided
- **NO double dipping!**
The disposable applicators are a one touch use
- Dispose of all used applicators in the bin provided
- To sample product colour swatches, all testers are to be applied directly onto the paper sheets provided
- AVOID DIRECT SKIN CONTACT

If you are unsure, please see our helpful staff for assistance.

- No skincare product testers are available at this time – where possible sample sachets may be available
